

National Transportation Safety Board

§ 801.20

(e) The envelope in which the requester submits the request should be marked prominently with the letters “FOIA.” If a request fails to include a citation to the FOIA, the NTSB FOIA Office will attempt to contact the requester immediately to rectify the omission and/or clarify the request. However, the 20-working-day time limit for processing shall not commence until the FOIA Office receives a complete request.

(f) The field offices of the NTSB shall not maintain, for public access, records maintained by the Chief, Records Management Division. Requests mailed to NTSB field offices will not satisfy the NTSB’s requirements for submitting a FOIA request.

(g) The NTSB may work with a commercial reproduction firm to accommodate requests for reproduction of accident records from the public docket. The reproduction charges may be subject to change. The NTSB will update its FOIA Web site to reflect any such changes. Section 801.60 of this title contains a current fee schedule.

(h) The NTSB will not release records originally generated by other agencies or entities. Instead, the NTSB will refer such requests for other agencies’ records to the appropriate agency, which will make a release determination upon receiving and processing the referred request.

(i) Where a requester seeks a record on behalf of another person, and the record contains that person’s personal information protected by Exemption 6 of the FOIA (see section 801.56 of this title), the NTSB requires the requester to submit a notarized statement of consent from the person whose personal information is contained in the record, before the NTSB releases the record.

(j) In general, the NTSB will deny requests for records concerning a pending investigation, pursuant to appropriate exemptions under the FOIA. The FOIA Office will notify the requester of this denial, and will provide the requester with information regarding how the requester may receive information on the investigation once the investigation is complete. The NTSB discourages requesters from submitting multiple FOIA requests in a continuing effort to

obtain records before an investigation is complete.

§ 801.11 Segregability of records.

The initial decision of the FOIA Officer will include a determination of segregability. If it is reasonable to do so, the exempt portions of a record will be segregated and, where necessary, redacted, and the nonexempt portions will be sent to the requester.

§ 801.12 Protection of records.

(a) No person may, without permission, remove from the place where it is made available any record made available for inspection or copying under § 801.10(c)(2) of this part. Stealing, altering, mutilating, obliterating, or destroying, in whole or in part, such a record shall be deemed a criminal offense.

(b) Section 641 of title 18 of the United States Code provides, in pertinent part, as follows:

“Whoever * * * steals, purloins, or knowingly converts to his use or the use of another, or without authority, sells, conveys or disposes of any record * * * or thing of value of the United States or of any department or agency thereof * * * shall be fined under this title or imprisoned not more than ten years, or both; but if the value of such property in the aggregate, combining amounts from all the counts for which the defendant is convicted in a single case, does not exceed the sum of \$1,000, he shall be fined under this title or imprisoned not more than one year, or both.”

(c) Section 2071(a) of title 18 of the United States Code provides, in pertinent part, as follows:

Whoever willfully and unlawfully conceals, removes, mutilates, obliterates, or destroys, or attempts to do so, or, with intent to do so takes and carries away any record, proceeding, map, book, paper, document, or other thing, filed or deposited * * * in any public office, or with any * * * public officer of the United States, shall be fined under this title or imprisoned not more than three years, or both.

§ 801.20 Processing of requests.

(a) The NTSB processes FOIA requests upon receipt. The NTSB FOIA Office may notify the requester that the NTSB has received the request. The
